

K01 Eligibility Inquiry

NIBIB uses the **Mentored Research Scientist Development Award (K01)** to provide a mentored training period for individuals who wish to obtain experience and skills in an area different from their previous research focus. The proposed training should justify a 3 or 4 year dedicated mentored training period and provide the applicant with a set of new skills and experiences without which s/he cannot currently lead an investigation with the proposed specific aims, even with the inclusion of appropriate collaborators. Additionally, the proposed research should address one or more of the [Scientific Program Areas](#) supported by the NIBIB.

Please fill in the information below and forward to NIBIBKAwards@mail.nih.gov, attaching your **CV** with all publications to date including those accepted for publication and already submitted and attach a 1-page description of your **Specific Aims**, so that your eligibility can be determined.

Name:

Date:

Institution:

Dept.

Position (Postdoc, Assistant Professor, Research Associate, etc.):

Brief description of background and skills of the candidate (Please limit to 800 characters):

Brief description of skills and experiences sought with the K01 (Please limit to 800 characters)
