

TO JOIN THE OPEN SESSION OF THE JANUARY 22, 2014, MEETING OF THE NATIONAL ADVISORY COUNCIL  
FOR BIOMEDICAL IMAGING AND BIOENGINEERING

1. When you click on the URL <https://webmeeting.nih.gov/nacbibopen/>, you will get a blue Adobe Connect screen that gives you permission to “enter as a guest” into the virtual meeting room. Type in your full name and click on “enter room.”
2. You will then get a “join teleconference” pop-up. Click on “dial out, receive a call from the meeting”. Enter your telephone number and click on “join.” Your phone will ring; answer and follow the prompt to have your audio connected. Please mute your phone to reduce noise level. (If the system instructs you to dial in, ignore it.)
3. Be sure to turn down your computer’s sound so as not to create an echo.
4. If your audio disconnects please click on the telephone icon in the upper left of the screen and select “dial out.” Then click “join” to reconnect.
